### BUSINESS:

1. Little Suamico Fire Department Report- Chief Zuge went over the calls for the month of October and then he discussed a letter that was received from the Chief of the Suamico Fire Department. Joe Bertler stated that at this time Suamico is not able to partner with Town of Little Suamico's Fire Department due to resources and strategic priorities. The letter also stated that they greatly respect the work Little Suamico Fire Department does.
  - a- Little Suamico Fire Department Vehicle Replacement Plan- Chief Zuge went over the Plan that was established in 2009 and then revisited in 2020. He stated that he was told the Town doesn't have any money and that the plan was swept under the rug. Paape then spoke on grants that the Clerk and herself have filed thus far and that we need to continue to fill out grants to get as close to the amount for the new truck as possible and that there also needs to be a plan in place for all future trucks that will be needed.
2. Community Policing Report- Deputy Baeten is out of Town. Report was left on table for electors to grab and no questions were asked.
3. **Ordinance Committee Update-** John Link gave a report. He stated that the Committee has met formally twice and that all committee members and alternates are set. They have chosen a secretary, and they plan to meet the third Tuesday of every month. John went over that the Committee has broken up into groups of 2 to review certain ordinances and they are working on chapters 1-5 to start. John gave his email, [jelink@netnet.net](mailto:jelink@netnet.net), if anyone else is interested in being involved in the committee's recommendations to give comments. The clerk also can forward information to John, [lsclerk@bayland.net](mailto:lsclerk@bayland.net).
4. **Highway Corridor Study Update-** Chairman Mohr stated that the Plan Commission has been working on the Corridor study for 6 months. There will be an open house on January 23<sup>rd</sup> for everyone to come in and ask questions and voice concerns.

5. ARPA Update- Krumrei stated that he received bids for LED lights at the park and Recycling Center. Also, he had a bid for cameras/surveillance at the Town Park.  
ARPA Funds left \$15,659.89.  
Parking Lot off County J- \$2436.00  
Recycling Center- \$3695.00  
Cameras/Surveillance- \$10,800.00  
Clerk Glinski mentioned that that would be \$1311.11 over what was left, and Krumrei stated he spoke to Friends of the Park, and they will pay the remainder of the cost.  
Paape went over the cost of a camera to live stream the meetings, but live streaming would mean that someone would need to monitor the chat and get things set up so the Board decided it was best to wait until after the April Election to see how the new Town Board would like to handle it. Krumrei motioned to move forward with replacing the lights at the park and Recycling Center and getting cameras for the park with the Friends of the Park paying the remaining \$1311.11 to finish the projects, seconded by Paape. Approved by unanimous vote.
6. Approval of Bills- Paape motioned to approve the bills, seconded by Krumrei. Approved by unanimous vote.
7. Announcements/General Information- Krumrei mentioned that he's hopeful that the ice rink will be up and running by Christmas.
8. Set Next Meeting Date- January 13<sup>th</sup> at 6pm.
9. Public Comment- 2 minutes per person to make a comment. This is not a Q&A session. This is strictly for the public to make comments to the board.
