Pottery of the Past

*with The Green Bay
Children's Museum*

06/10 @9:30am

Town Hall at Little Suamico

5964 County Rd S, Sobieski

Pottery is one of the world's most ancient forms of art. Learn about the importance of pottery in our world and some of its unique uses. Explore the oldest sculpting technique by making a pinch pot that you will be able to decorate and take home.

This program is brought to you by the Lena Public Library as part of its outreach efforts to Little Suamico, expanding access to library services in the community.
