1. Park Plan- Cedar Corporation attending- Ken went over the DNR grants and stated that we needed to have the Park Plan completed to go out for the stewardship grant which is a 50/50 grants. He spoke on the possibility of having a restroom located there and other options to get "more bang for our buck" if we were to receive the grant. Park Commission and Ken had discussion on what they are looking for regarding the kayak launch. Ken stated it would be \$4000.00-\$5000.00 for him to complete the entire Park Plan. It was asked what the price would be if the Commission did most of the plan and have him review it and he stated that cost would be \$1200.00 and \$2200 if he needed to review the plan and the map. There was also conversation on having the area by the kayak launch to be delineated to make sure that things can be done and what areas are wetlands. Ken is going to be sending a bid for someone at his office to do the delineations. Lisa emailed Ken the current bids and information that Jessica has received for the kayak launch.
