Subject: Monthly Report

Received several calls from residents about road signs being damaged with paint. Got a call about a manhole cover not covering the hole. I was asked by Tom Kopla to meet with him about the Ditch cutting bid that was not awarded to him. We met for over 1/2 hour and I listened to his concerns. Received a complaint from a resident regarding tree and bush overgrown on the road, DOUGLAS LN. also trees blocking the sight vision on Douglas Ln and Mourning Dove and on Mourning Dove and Allen rd. I went out there and took pictures to show Chairman Mohr.

Chairman's Monthly Report Highlights

June-July 2025

Per monthly report requested by Electors at the 2025 Annual Mtg.

1. **Held discussions with Road Engineer and Highway Superintendent regarding maintenance of shoulder of roads. Work orders have been received and work to be done this year.**
2. **Discussion held with property owner adjacent to town recycling center for initial discussion on options for the town to develop a brush site and to potentially realign property lines.**
3. **Site visit along Racers Lane to inspect reported snowplow damage to a culvert. Contacted highway department to begin process of inspection and to development a response.**
4. **Addressed areas of the town with spraypainted graffiti with town maintenance. Other vandalism has been reported in the town park, and with street signs stolen.**
5. **Received reports of wind damaged trees across town roads. Work to remove trees completed.**
6. **Inspected a previously damaged man-hole cover.**
7. **Monitored Flobengo Lane LRIP grant project. Project completed on time, on cost, and payments made.**
8. **Buck's Lane and Nero Subdivision brush and tree trimming plan being formulated. Work to be done in July.**
9. **Investigated animal complaints along Ball Park Rd.**
10. **Discussion with Town Supervisor to continue to address the needs of the town for brush site and to make additional contact with neighboring property owner to find a solution.**
11. **Placed order for an additional 14 tons of asphalt. This year we are filling town potholes and are determining how much asphalt and time is required to complete the service year-round. I continue to investigate and receive notices of potholes in our town and address with staff as soon as possible.**
12. **Discussion with property owners along Lade Beach Rd and did site inspections determining amount of work needed to replace the road.**
13. **Reviewed storm damage along roads and heavy rains on shouldering of roads, with work staff. Plans formulated to address problem areas.**

14. Discussions held with property owners to re-zone their lands – placed their requests upon the Plan Commission agenda – held meeting to finalize their petitions at the town level and presented them at the Town Meeting.
15. Investigated the need to further conduct grading of Rost road.
16. Discussions held with a town supervisor, Clerk, work staff and residents on the best configuration of the town boardroom.
17. Provided examples of previously awarded grants to Town Clerk, regarding a grant submittal for National Night out and a \$2,000 request. Reviewed narrative and intend to provide any additional information at the approving meeting in July.
18. Inventoried and ordered additional street signs for town roads.
19. Reviewed the proceedings of the Board of Review as a function of my role as the Chair of the BOR to be held this month.
20. Discussed with the Building Inspector responses to complaints by people wanting to know what neighbors are doing on their lands. The use of SOLO county based site has public records of permits for people to review.
21. Reviewed Ordinance Committee draft changes.
22. Agendas were developed with the Town Clerk and I ensured proper postings for official meetings of the: Town Board, Board of Review and Plan Commission.
23. Discussion held with the Building Inspector on work proposed on Executive Circle.
24. Reviewed ditch cutting work throughout the town. This year's focus was to get to the bottom of the ditches limiting growth of bushes and small trees. Site visits showed positive improvement to cutting troubled spots. Held discussion with our contractor for areas needing attention.
25. Reviewed monthly town bills and authorized their payments.
26. Received updates on maintenance work, needs, requests, and hours.
27. Reviewed timesheets and signed payroll check for town staff.
28. Inspected Railroad right- of- way belonging to Escanaba RR company for any signs of requested repairs. Discussed findings with Town Abrams Chair on next steps.
29. Worked with town staff, highway department and Rail Road Commission to address deficiencies at railroad crossings, painting, signs and brush all being addressed in the plan.
30. Held in-person hours at the town Hall (24 hrs.).
