## Chairman's Monthly Report Highlights

### ***November – 2026 HAPPY NEW YEAR!***

---

*Per monthly report requested by Electors at the 2025 Annual Mtg.*

1. Received report that a section of Cross Rd failed and needed immediate attention. Investigated whether this was sewer related with the Sanitary President. It appears to be non-culvert and non-sewer pipe related. I ordered and inspected the section to be repaired temporarily until this summer where we can do a more finished repair.
2. Investigated an “odd noise complaint” in Snapdragon. Yet to be determined after meeting with area’s resident.
3. Finalized the monthly Agenda for Town Board Mtg.
4. Worked with Cedar Corp in getting a plan, a MEMO of work initiated to address the road work needed on Lade Beach RD. This was presented to the Town Board to keep them informed of progress, and to set any future dates to agree on next steps to be taken. This segment of road has many drainage issues that require engineering assessment and will involve the neighborhood to participate in the design concept.
5. Worked with Oconto County Zoning to identify concerns about a recent Conditional Use Petition.
6. Wrote a letter of support for the grant the Friends of the Park Association has submitted to the Greater Green Bay Foundation.
7. Reviewed monthly town bills and authorized their payments.
8. Signed agreements with an auditing Firm to conduct the necessary steps in completing our annual audit.
9. Discussed options for expansion of the recycling site with staff/service/hrs.
10. Reviewed time sheets and signed payroll for town staff.
11. Signed ordinances passed this month, ensured their posting.
12. Completed paperwork on proposed Conditional Use ensured sent onto the petitioner and county planning staff.
13. Reviewed complaints regarding ordinances.
14. Held in-person hours at the Town Hall (20 hrs.).
