

## Liz Paape's March Supervisor's Report

- Follow up on a complaint and referred to Town Chair. Resident removing brush/trees again (over the weekend 4/11-12) in an "unimproved alley" owned by Wensings Subdivision.
- Discussions with Sheriff's Department on several matters
- Continue to review Draft Ordinance Book from Ordinance Committee. Making changes per attorney's recommendations. Once complete, I will forward recommended changes back to the attorney.
- Addressed Power Outages.

## LS Clerk

**Sent:** Tuesday, April 14, 2026 11:22 AM  
**To:** LS Clerk  
**Subject:** Supervisor monthly report

Attended all 5 Board meetings, March 9th, March 11th, March 12th, April 9th, and April 13th.

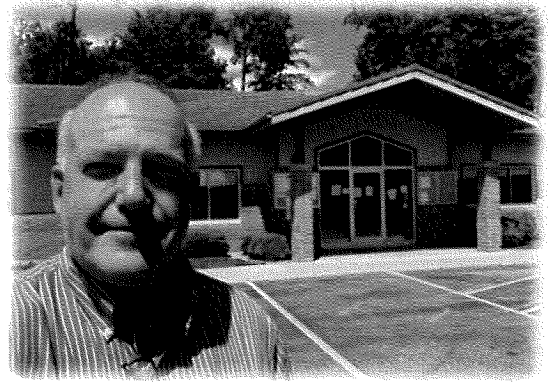

I had two meetings with supervisor krumrei regarding Little Suamico Yard Waste Site for 2026.

# MOHR, Dale

*Town of Little Suamico  
Town Chair*

## Chairman's Monthly Report Highlights

**March – April 2026**

*Per monthly report requested by Electors at the 2025 Annual Mtg.*

1. **Inspection of roads and ditches prior to the supposed rainstorm at the beginning of the month. This did not happen but turned into a blizzard. Reviewed roads immediately after storm for clean up areas that were impassible.**
2. **Working with Cedar Corp to draft a new developer's agreement to use with the upcoming major land divisions.**
3. **Road inspection for any damage caused by equipment used during the blizzard. No damages were found.**
4. **Attended meeting with Emergency Management via meetings, to learn about how to pre-register to be able to apply for emergency grants to cover portions of the snow removal costs conducted during the blizzard – to include our private contract and the Highway contract. The request will be made final in May 2026.**
5. **Continued meeting with staff on recycling and brush plans for this Spring. They have an idea worth pursuing.**
6. **Rainstorms and Ice storms had me clearing tree limbs off of the roads. Many piles were placed on the roadway. Primarily pine limbs. Had them removed and chipped so that the ditch could be cut later this summer and fall.**
7. **Prepared Agenda for this month's Town Board mtg. Chaired meeting.**
8. **Reviewed monthly town bills and authorized their payments.**
9. **Reviewed staff timesheets and signed payroll for town staff.**
10. **Worked on clearing culverts during the rainstorms. Placed warning barricades out for roadways that had wash overs. Contacted the County for their efforts to keep CTH J and S open from the flooding.**
11. **Read and commented on the town draft ordinances proposed by Ordinance Committee.**
12. **Continued to work on coordinating pothole filling. This usually involves the county, with me identifying key areas of concern first, then spreading our coordinated efforts to less traveled roads. Later in the warmer weather our town crew will go out to catch problem areas opening.**
13. **Continued to Review and update Road Improvement strategy.**
14. **Held in-person hours at the Town Hall (approx. 20 hrs.).**
